OUR COMMUNITY

In our town, many older adults live alone and enjoy their independence. Unfortunately, some are isolated, separated from their families, or are in need of a caring friend. Simple gestures can make a difference; they help your neighbor feel connected to the community. Individuals can remain in their homes for as long as possible.

Our Friendly Visitor Program is committed to supporting our residents by helping them remain in their homes. We do this by matching local volunteers with residents who need supports.
