### WHAT IF I HAVE A DOG AND DO NOT GET A LICENSE?

You can receive a ticket for violating the Town Code and be subject to a fine not less than \$25.00, except where the person was found to have violated this article within 5 years, the fine may not be less than \$50.00. If the person was found to have committed 2 or more violations within 5 years, the fine may not be less than \$100.00.

In addition to other applicable fees, if you are found to own a dog without a license during an enumeration, there is a one-time additional fee of \$5.00 added to the license cost.

Please note, the Animal Control Officer does patrol the Town throughout the year to ensure that all dogs are registered.

If you have a dog, you are urged to obtain a license to avoid these additional fees. If you know someone who has a dog, please share this flyer with them.
